## Education

<b>Galgotias University</b> : B.Tech in Computer Science and Engineering	2024 – 2028
GPA :	
<b>Intermediate(12th)</b> Bihar School Examination Board	2022 – 2024
Percentage : 74/100	
<b>Matric(10th)</b> Bihar School Examination Board	2020 – 2022
Percentage : 80/100	

## Projects

<b>Habitual</b>	Github
<ul style="list-style-type: none"><li>Habitual is a modern habit and task tracker desktop application built with Java, JavaFX, and MySQL. It features a clean UI, habit streak tracking, statistics dashboard, reminders, password reset with security questions, and both dark and light modes. This project is designed to be a comprehensive example of a JavaFX application, suitable for learning, extension, and personal use.</li><li>Tools Used: Java, JavaFX, and MySQL</li></ul>	
<b>MetaLLiCS — Online Streaming Platform</b>	Github
<ul style="list-style-type: none"><li>MetaLLiCS is a modern online Music streaming platform designed to provide a smooth, fast, and engaging Listening experience. The platform focuses on clean UI, efficient performance, and an intuitive user flow inspired by popular Music applications.</li></ul> <p>This project demonstrates frontend development skills, UI design, and logical structuring of a streaming system.</p> <ul style="list-style-type: none"><li>Tools Used: HTML, CSS, JavaScript, Java (Core Java + OOPs)</li></ul>	

## Technologies

**Languages:** C++, C, Java, SQL, HTML, CSS, Python

## Certificates

<b>NPTEL</b> : Earned a Design Thinking certification, demonstrating strong problem-solving, ideation, and user-centric design skills.	Certificate
<b>Database Programming with SQL</b> : Certified in Database Programming with SQL, focusing on effective data handling and query optimization.	Certificate
<b>C Programming</b> : Certified in C Programming by GUVI, with hands-on practice in core programming concepts.	Certificate
<b>Object-Oriented Programming</b> : Awarded a certificate in Object-Oriented Programming by GUVI for demonstrating strong conceptual and practical skills in OOP fundamentals.	Certificate
<b>Java</b> : Certified in Java Programming with hands-on practice in OOP and application development.	Certificate
<b>Mastering MySQL</b> : Completed a certification in Mastering MySQL, gaining strong skills in database design, advanced SQL queries, joins, indexing, and data optimization.	Certificate
<b>DSA using C</b> : Awarded a certificate in DSA using C for demonstrating strong logical reasoning and understanding of foundational algorithms.	Certificate
